

IITM Academic Handbook 2024-25

Institute of Innovation in Technology & Management
Affiliated to Guru Gobind Singh Indraprastha University, Delhi

1. Programmes Offered

The Institute currently offers three undergraduate programmes: Bachelor of Computer Applications (BCA), Bachelor of Business Administration (BBA), and Bachelor of Commerce Honours B.Com(H). All programmes are of three years duration spread across six semesters. The maximum permissible time to complete any programme is five academic years (ten semesters).

Programme	Duration	Total Credits	Credits for Degree	Semesters
BCA	3 Years	160	150	6
BBA	3 Years	156	150	6
B.Com(H)	3 Years	160	150	6

2. Attendance Policy

A student must maintain a minimum attendance of 75 percent in the aggregate of all courses taken together in an academic year. The Director may condone attendance shortage up to 5 percent for individual students for valid reasons which must be recorded in writing. Under no circumstances shall a student with less than 70 percent aggregate attendance in an academic year be allowed to appear in the semester-end examination.

Students who are detained due to shortage of attendance shall not be promoted to the next academic year. Such students must take re-admission and repeat all courses of the said academic year with the next batch of students. Their university enrolment number shall remain unchanged and they must complete the programme within the maximum permissible period of five academic years.

The Director shall announce the names of all students who are not eligible to appear in the semester-end examination at least five calendar days before the start of the examination.

Important: Students are expected to be present five minutes before the commencement of any scheduled activity including classes, tests, and seminars.

3. Examination and Evaluation

3.1 Semester-End Examinations

Semester-end examinations are conducted by Guru Gobind Singh Indraprastha University at designated examination centres which shall not be at the Institute. Students must apply for examinations on the prescribed form through the Institute. The University shall issue admit cards which students must carry for each paper.

3.2 Marking Scheme

Each paper carries a total of 100 marks. For theory papers, 75 marks are allocated to the semester-end written examination conducted by the University and 25 marks are allocated to continuous evaluation conducted internally by the Institute. For practical and lab papers, 60 marks are allocated to the University-appointed external examiner at the semester end and 40 marks are allocated to continuous evaluation by the subject faculty.

Component	Theory Papers	Practical Papers
Semester-End Exam (University)	75 marks (75%)	60 marks (60%)
Continuous Evaluation (Internal)	25 marks (25%)	40 marks (40%)
Total	100 marks	100 marks

3.3 Continuous Evaluation Breakdown

The internal continuous evaluation of 25 marks for theory papers is divided as follows: Class Tests carry 40 marks out of which the best performance is scaled to 20 marks. Assignments and presentations carry 5 marks. Students who are absent from any test or activity related to continuous evaluation shall be awarded zero marks for that component.

3.4 Pass Percentage

The minimum pass percentage in each paper is 50 percent for all undergraduate programmes. This includes the combined marks from both the semester-end examination and the continuous evaluation components.

4. Grading System

The grading is done on the basis of the Cumulative Performance Index (CPI) system. The CPI is calculated using the formula: $CPI = \frac{\text{Sum of (Marks in each paper multiplied by Credits of that paper)}}{\text{Sum of all Credits}}$.

Grade	CPI Range	Condition
Excellent	90% and above	All papers passed in first attempt
First Division with Distinction	75% to below 90%	All papers passed in first attempt
First Division	60% to below 75%	No additional condition
Second Division	50% to below 60%	No additional condition
Fail	Below 50%	Must reappear in failed papers

4.1 Grace Marks

A maximum of six grace marks can be awarded either in one paper or distributed across multiple papers if the aggregate marks combining semester-end and continuous evaluation are below the passing percentage of 50 percent. These grace marks are awarded by the University at the time of finalization of semester-end examination results.

5. Promotion Rules

5.1 First Year to Second Year

A student who obtains less than 50 percent of the total credits in the first year examinations covering the first and second semester combined shall not be promoted to the second year of the programme.

5.2 Second Year to Third Year

Students who have been promoted to the second year must obtain at least 90 percent credits in the first year examination and at least 50 percent credits in the second year examination to be eligible for promotion to the third year of the programme.

5.3 Academic Year Break

Students who have not been promoted shall automatically be declared to have taken an Academic Year Break. They must reappear in papers of previous semesters in which they have failed to obtain sufficient credits for promotion. A maximum of two Academic Year Breaks are permissible. Failure to complete the course within n+2 academic years shall result in automatic cancellation of admission.

6. Reappear Policy

A student obtaining less than 50 percent of maximum marks including both semester-end examination and continuous evaluation in a paper shall be allowed to reappear in the semester-end examination of that course in subsequent semesters when the course is offered. This is subject to the maximum permissible period of five academic years.

Students who have scored less than 50 percent marks in the continuous evaluation component have the option to repeat and improve their class test performance with the next batch of students. The re-appearing students shall be examined as per the syllabus in operation during the subsequent semester.

Students must apply to the Controller of Examinations through the Institute to reappear and pay the prescribed re-examination fee. There shall be no reappear or retest in continuous evaluation in the same semester.

7. Summer Training and Project Work

All students of BBA and B.Com(H) are required to undergo summer training for six to eight weeks after the completion of the fourth semester. BCA students are required to complete summer training of four weeks after the fourth semester with viva-voce conducted in the fifth semester.

Detailed guidelines, schedules, marking schemes, and names of guides shall be provided through academic circulars issued by the Director. Students are required to adhere to these guidelines strictly. BCA students must also complete a Minor Project in the fifth semester and a Major Project in the sixth semester. BBA students submit a Project Report with Viva in the sixth semester. B.Com(H) students submit a Research Project in the sixth semester.

8. Award of Degree

A student shall be eligible for the award of degree subject to the following conditions: The student must have undergone the full course of studies and completed all project reports and training reports specified in the curriculum within the stipulated time. The student must have secured the minimum credits prescribed for the award of the degree which is 150 credits for all three programmes. There must be no outstanding dues in the student's name to the Institute or University. No disciplinary action should be pending against the student.

The annual convocation to confer degrees shall be held in the month of November every year.

9. BCA Programme - Course Structure

9.1 Semester I

Code	Paper Name	Credits
BCA 101	Mathematics I	4
BCA 103	Technical Communication	3
BCA 105	Introduction to Programming using C	4
BCA 107	Introduction to Computers and IT	4
BCA 109	Physics	4
BCA 151	Practical I - C Programming Lab	3
BCA 153	Practical II - IT Lab	3
BCA 155	Communication Skills (NUES)	2
	Total	27

9.2 Semester II

Code	Paper Name	Credits
BCA 102	Mathematics II	4
BCA 104	Principles of Management	3
BCA 106	Digital Electronics	4
BCA 108	Data Structure Using C	4
BCA 110	Database Management System	4
BCA 152	Practical III - DS Lab	3
BCA 154	Practical IV - DBMS Lab	3
BCA 156	Cyber Ethics (NUES)	2
	Total	27

9.3 Semester III

Code	Paper Name	Credits
BCA 201	Mathematics III	4
BCA 203	Computer Architecture	4
BCA 205	Front End Design Tool VB.Net	4
BCA 207	Principles of Accounting	3
BCA 209	Object Oriented Programming using C++	4
BCA 251	Practical V - .NET Lab	3
BCA 253	Practical VI - C++ Lab	3
BCA 255	Software Development Skills (NUES)	2
	Total	27

9.4 Semester IV

Code	Paper Name	Credits
BCA 202	Mathematics IV	4
BCA 204	Web Technologies	4
BCA 206	Java Programming	4
BCA 208	Software Engineering	4
BCA 210	Computer Networks	4
BCA 252	Practical VII - Java Lab	3
BCA 254	Practical VIII - Web Tech Lab	3
BCA 256	Personality Development Skills (NUES)	2
	Total	28

9.5 Semester V

Code	Paper Name	Credits
BCA 301	Operating System	4
BCA 303	Computer Graphics	4
BCA 305	E-Commerce	4
BCA 307-315	Elective (choose one)	4
BCA 351	Practical IX - CG Lab	4
BCA 355	Summer Project/Training	2
BCA 357	Minor Project	4
	Total	26

Elective options for Semester V: Software Testing, Microprocessor, Advanced Computer Networks, Web Based Programming, Business Economics. An elective is offered only if at least one-third of the total class strength opts for it.

9.6 Semester VI

Code	Paper Name	Credits
BCA 302	Data Warehousing and Data Mining	4
BCA 304	Mobile Computing	4
BCA 306	Linux Environment	4
BCA 308-316	Elective (choose one)	4
BCA 352	Practical X - Linux Lab	2
BCA 356	Major Project	5
BCA 358	Seminar	2
	Total	25

Elective options for Semester VI: Multimedia and Its Applications, Bio Informatics, Artificial Intelligence, Network Security, Network Programming.

10. Working Hours and Academic Calendar

The Institute operates from Monday to Saturday, from 8:30 AM to 5:30 PM, excluding Sundays and holidays notified by the Institute. The Institute follows the academic calendar as laid down by the University. However, the Institute may modify the academic calendar for effective management of the teaching-learning process and for balancing co-curricular and extra-curricular activities. The academic calendar is notified to students through the notice board.
